

Brownstone

Exploration & Discovery Park

We're Growing! Now there's more action, excitement and adventure than ever before. Less than 30 minutes from Hartford, New Haven and Waterbury.

SWIM & SNORKEL

Rope swings, floating trampolines, volleyball courts, icebergs and launchers make this the best swimming in the state. **Take a dip on the wild side.** Bring your snorkeling gear. The underwater wildlife will amaze you. Don't have gear? Visit our rental shack.

SCUBA DIVE

Looking for great freshwater diving? We've got more submerged attractions than ever plus a navigation course with surface and underwater markers. **Discover mysterious quarry finds including cars, boats, planes and buses.**

ROCK CLIMB

Go vertical! **Beginners to advanced** freestylers find exactly what they crave. Walls include affixed handholds, belaying systems, top-ropes as well as free-climbing runs. **We provide harnesses and helmets or bring your own.** New gear is available for purchase in our store. Climbing ratings from 5.1 – 5.10.

HIKE & BIKE

Hiking and biking trails are available in the adjacent 40 acre town park.

CLIFF JUMP

Start small and aim high! Cliff heights range from 5 to 30 feet. Once a Brownstone cliff jumper, you'll never settle for anything less.

WAKEBOARD

Fly on the water for 1200 feet and up to 25 mph. Advanced boarders, hit the jumps, rails and skids. Now with two systems: winch cable system and new faster overhead cable system making tricks easier than ever. **Daily lessons available. Rent the boards or bring your own.**

ZIP LINES

Landlubbers or water enthusiasts, we have it all. **The side by side 1000' racing ziplines**, the lightning speed 1000' dry landing zipline or our 875', 750' or 500' wet and wild landings.

KAYAK

Enjoy a relaxing afternoon in our scenic park. Venture off by yourself or with a group. Rentals available or bring your own kayak or canoe

"SURVIVOR" TYPE OBSTACLE COURSE

Brain or brawn —our obstacle courses are designed to challenge. Similar to the TV show, our courses roll agility, endurance, strength and strategic thinking into competitive team challenges of head to head, timed competitions. Both water and land based courses available.
